OFFICE FINANCIAL POLICY

Payment is due at the time services are rendered. For your convenience we accept cash, Visa, MasterCard, Discover, CareCredit, personal check (no post dated checks), money order, or registered check.

Insurance benefits are determined by your employer and not your dentist. Any deductible or estimated co-pay/co-insurance amount will be due at the time of treatment. Insurance is not a guarantee of payment. Insurance companies will not pay for all your costs. Your insurance policy is a contract between you and your insurer. Your insurance and payment are still your responsibility. As a courtesy, we will be glad to file your claim for you if you bring (1) your dental insurance card, and (2) required employer information. You will be expected to pay for services rendered if the office is unable to verify your insurance information before treatment. If payment for services already rendered has not been paid in full within 45 days, by either you or your insurance company, the remaining balance for treatment is considered due and collectible.

Payment plans and financial arrangements can be entered into for comprehensive dental treatment prior to commencing treatment.

I have read and understand this financial policy.
